Financial Management & Reporting

Budgeting, Forecasting & Variance Analysis

Audit Coordination & Internal Controls

Excel & Microsoft 365

Grant Management & Donor Compliance

Account Reconciliations & Month-End Close

Financial Analysis & Management Reporting

Power BI, Dashboards & Data Analytics

PROFESSIONAL EXPERIENCE

Clinton Health Access Initiative, Inc. — Harare, Zimbabwe

Finance / Accounting Professional

- Support financial management and reporting activities within an international NGO environment, with attention to accuracy, controls and timely reporting.
- Apply donor-finance and grant-management practices, including compliance-focused financial review and supporting documentation.
- Perform reconciliations, financial analysis and variance review to support management reporting and informed decision-making.
- Coordinate with programme and operational stakeholders to strengthen financial accountability, audit readiness and reporting quality.
- Contribute to process improvement and the effective use of Excel, analytics and reporting tools.

Earlier Career Experience

Progressive finance and accounting roles across international NGO and donor-funded environments, building more than a decade of experience in financial reporting, grants, compliance, reconciliations, budgeting, audit support and analysis.

EDUCATION & PROFESSIONAL CREDENTIALS

ACCA — Member

MBA — Accounting, National University of Science and Technology (NUST)

Bachelor of Accountancy, Midlands State University

ADDITIONAL PROFESSIONAL DEVELOPMENT

Operations Analytics • Customer Analytics • Lessons in Enlightened Leadership • Microsoft 365 / Office 365 Essential Training

DIGITAL & ANALYTICS

Advanced use of Excel and Microsoft 365 for financial analysis and reporting; portfolio work in Power BI, dashboards, data analysis and finance-focused reporting workflows.
